The above competitions have been researched and chosen based on the available dates and attendance during the 2008/2009 season. EVERY competition company requires full payment 60 – 90 days prior to the event. The order of competition is NOT released until the week of the competition, therefore making a refund or a change in venue next to impossible.

Edge Dance team members will be charged their competition fees in advance this season. This will help families plan financially for the 2008/2009 season. The prices listed above are the competition fees for those dance organizations. Competition fees will be added up for the entire year and then divided by 6. This amount will be added to the monthly tuition until all fees have been paid (August – January). Individuals may choose to pay the entire amount upfront.
